

Children at St. John's

What we do

Sunday Club for 4s-11s meets most Sundays at 10:30 a.m. The Children are in church for the beginning and end of the Service and in the church hall for their own activities the rest of the time. Because of the diverse membership, teaching is mainly in English.

Holiday Club for 4s to 11s meets for special $\frac{1}{2}$ day events most school half-terms and during the summer holidays this becomes three or more days in a week with a special theme. See this page for announcements.

Holiday Club's Pancake Party

Shrove Tuesday was a good time to have a half-day holiday club because it was the ideal time to learn how to make pancakes. About twenty children arrived early afternoon for a time filled with games, story, singing and most important of all learning to make pancakes and eating them as a grand finale. We used both church and hall for activities. So the more active games monopolised the hall, with table games in the church. But for the serious business of pancake making and eating, everybody assembled in the hall. It was an enjoyable and filling time.

Sunday Club will not meet during August this year.

Summer Holiday Club at St. John's
