

# Children at St. John's

## What we do

**Sunday Club** for 4s-11s meets most Sundays at 10:30 a.m. The Children are in church for the beginning and end of the Service and in the church hall for their own activities the rest of the time. Because of the diverse membership, teaching is mainly in English.

**Holiday Club** for 4s to 11s meets for special  $\frac{1}{2}$  day events most school half-terms and during the summer holidays this becomes three or more days in a week with a special theme. See this page for announcements.

## Summer Holiday Club at St. John's

This year, Holiday Club went deep sea diving during the first week of the School holidays. Not literally, but imagining they were and learning about the different sea creatures found at different depths from a real-life Marine Biologist from Bangor University. At the same time, they learned about events in the life of Jesus, using stories and crafts. In between there was a lot of fun with the side-splitting undersea jokes from Flotsome and Jetsome, and energetic games. Not to mention sea-snacks and lunch to finish each session.

This summer there were 27 children in the Holiday Club. A joint venture between Mosaic Church and St. Johns

## Holiday Club
