Superintendent's Message The production and publication of this Preaching Plan, due to the advice of Government and the Methodist Church not to meet for worship during this Covid-19 pandemic we are living through, may well be an academic exercise. When we are advised that we *can* meet for public worship once again the form and nature of our worship may well be very different. For the present however, we will continue to produce weekly *Sunday Worship Sheets* and experiment with whatever technology is available to offer an alternative form of worship to what we would normally experience. Charles Wesley once wrote [StF.658] *To serve the present age, my calling to fulfil.* How we act, pray and love each other during this difficult 'present age' will shape and define us in the years to come. This is our calling.

Our Circuit Mission is to: Live out God's Word and share the good news about Jesus Christ by loving and caring wholeheartedly through service and worship with fun, fellowship and joy for all the church family and the community
